MARCH/2020

ENVIRONMENTAL, FEDERAL ENVIRONMENTAL AGENCY: ANNUAL REPORT ON POTENTIALLY POLLUTING ACTIVITIES DELAYED

On March 26, 2020, the Brazilian Federal Environmental Agency published Ordinance No. 12/2020 determining an extension - until June 29, 2020 – for the submission of the Annual Report on Potentially Polluting Activities related to activities developed in the year of 2019.

Veirano's environmental team is available to provide further clarifications on the matter.
