CLIENT ALERT

MARCH/2020

AMBIENTAL, FORESTS – SÃO PAULO: CORRECTION PROGRAM REGULATED

On March 6, it was published the Decree No. 64,842/2020 ("Decree"), which regulates the environmental compliance of rural properties in State of São Paulo by means of the Environmental Correction Program, according to Federal Law No. 12,651/2012 and State Law No. 15,684/2015.

We highlight the following provisions:

i. Adhesion to Program shall be carried out until December 20, 2022;
ii. The agreements executed prior to this Decree shall be reviewed and suited under the Program in case it entails greater environmental benefit.
iii. The Commitments signed as a result of the Settlements will only be revised with the consent of the Public Attorneys' Office or by court order.
iv. Priority will be given to requests for compensation of Legal Reserve with areas inserted in Conservation Units pending land correction.

The Decree is in effect since March 6, 2020 and revoked conflicting provisions.

Veirano's environmental team is highly experienced on the subject and is available to provide further clarification.
