ENVIRONMENTAL – DAMS, MINAS GERAIS: REGULATION OF WATER DAM'S POLICY

On February 27, 2019, Minas Gerais Water Agency ("IGAM") published Ordinances No. 02 and 03, regulating specific matters of water dams' policy.

Among the innovations brought we highlight:

- Ordinance No. 02/2019: Regulates the National Dams Safety Policy ("PNBS"), regarding the periodicity of execution or update, the qualification of the technical responsible and the details of the (i) Dams Safety Plan; (ii) Periodic Safety Inspection; (iii) Special Safety Inspection; (iv) Periodic Review of Dam Safety; and (v) Emergency Action Plan;
- Ordinance No. 03/2019: Regulates the registration of users of water resources that have water dams, except for purposes of hydroelectric use, located in the water courses of Minas Gerais State.

Veirano's environmental team is highly experienced on the subject and is available to provide further clarification.
