CLIENT ALERT

NOVEMBER/2019

ENVIRONMENTAL: NEW BIOFUEL POLICY ("RENOVABIO") - PUBLIC CONSULTATION FOR THE ISSUANCE OF DECARBONIZATION CREDITS

On October 25, 2019, the Oil & Gas Agency ("ANP") published the Public Consultation and Public Hearing No. 23/2019 regarding the draft of a Resolution on grounds to issue Decarbonization Credits ("CBIOs"), foreseen in article 14 of Law No. 13.576/2017, modifying ANP Resolution No. 758/2019 - certification of production and import of biofuels.

The draft encompasses:

- Criteria and proceedings to issue CBIOs;
- Implementation of a platform, named as "CBIO Platform", to be developed by the Federal Service of Data Proceeding;
- New deadlines;
- Provision of fees involving the use of CBIO Platform.

Companies and individuals can comment on the proposal until November 11, 2019, through the website: conspub_qualidade@anp.gov.br

Veirano´s environmental team is highly experienced on the subject and is available to provide further clarification.
